

2005 Level 9 Eastern Championships

GOOD LUCK BANNERS

Looking for something a bit bigger to congratulate your favorite Level 9 Eastern Championships qualifier? How about a Good Luck Banner! These black 3'x6' banners can be purchased with a message of your choice and displayed in the competition area during your gymnast's session.

All banners will be black vinyl with white lettering and will be specified to your wording request. There is not a limit on the number of characters. However, please note these banners will be displayed at a distance and the more characters on the space the smaller the characters will be.

All banners will be displayed from the first session of the weekend until they are requested by the buyer. You tell us when you are heading out for the weekend and the banner will be removed and passed on to you.

Ordering is easy! Please CLEARLY write your message below and submit this purchase form with a check for \$125.00 to The Master's no later than Tuesday, April 11, 2006 and then look for your special Good Luck Banner on competition weekend.
